3 Good health and well-being	9 Industry, innovation and infrastructure	15 Life on land
4 Quality education	10 Reduced inequalities	16 Peace, justice and strong institutions
5 Gender equality	11 Sustainable cities and communities	17 Partnerships for the goals
6 Clean water and sanitation	12 Consommation et production responsables	

"Through our projects, create economic, ecological and social value."

COMMITMENT ①

Lead the project through dialogue in compliance with human right and ethical principles.

Maintain an ongoing dialogue with external stakeholders to create value for the local areas.

Provide appropriate governance and ensure fair corporate practices.

Prevent project-related safety risks.

Ensure the health, diversity, equal treatment and career development of our employees.

COMMITMENT ②

Build while protecting the environment and contributing to the resilience of regions.

Implement an ambitious policy for the climate and the energy transition.

Preserve biodiversity, facilitate its inclusion in the city and limit disturbance caused by the project.

Promote the circular economy and optimise resources.

COMMITMENT ③

Contribute to the development of regions.

Promote access to employment and training for all.

Support the economic, social and community-based development of local areas.

Promote a social and intergenerational mix in property planning and public spaces.

Deliver a reliable, accessible and inclusive metro system.
